BEST PLACE TO BUY FROU-FROU DOGGIE GEAR

NORTHWEST PETS

3060 E. STATE ST., EAGLE, 939-8119

We love this place! Walk in the door and meet the owners' Bernese Mountain dogs, Teddy and Willow, and then get ready to shop. One Statesman staffer's five pound frou-frou dog has two pink T-shirts, a birthday hat, and pink hand-knit sweater and a pink backpack (for those tiny tiny dog bones) — all from Northwest Pets. They have out-fits for those difficult-to-fit frou-

frou puppies.

You can usually meet Del or Angie Peterson on site as well. They opened the store about a year ago. They've got canopy dog beds, clothes for dogs with matching accessories for their masters, stylish travel bags, gourmet dog food and a dog wash.

Oh, and they've also got a great selection for your cat.
